

PROJECT REFERENCE LIST CONTAINING INSULATION AND OTHER WORKS

| No. | Owner | Location | Topic Activity | Method | Implemented by | Position | QTY | CompletionDate |
|-----|--------------------------|--|---|--|------------------|--|---------|----------------|
| 1 | OIEC Co. | Isfahan Refinery | Five 's M.E.K Filters Equipment | C Work - (PU Foam Spraying & Finishing Operation) | Free Contract | Implementation | 1700 m2 | 1990 |
| 2 | Behran Oil Co. | Behran Refinery | M.E.K Filters - Piping & Equipment | PC Work - (PU Foam Spraying & Foam Injection) | Foam Sazeh | Chairman of board & Technical Manager & Implementation | 1100 m2 | 1992 |
| 3 | Arak Petrochemical Co. | Arak | Production PUF for Pipes | Production Fabrication for the first time in Iran | Foam Sazeh | Chairman of board & Technical Manager & Implementation | 2500 m2 | 1993 |
| 4 | Tehran Refinery | Tehran | M.E.K chillers | EPC Work (Product Boxes & Foam Injection) | Foam Sazeh | Chairman of board & Technical Manager & Implementation | 120 m2 | 1994 |
| 5 | Technicone Co. | Khorasan Petrochemical Co. | Two Ammonia Tank (Noel Hambourg) | Cladding & Foam Injection for the first time in Iran | Fabis Industrial | Partnership & Implementation | 4500 m2 | 1995 |
| 6 | Tabriz Petrochemical Co. | Tabriz | Propane Pumps | Foam Injection | Fabis Industrial | Partnership & Implementation | 25 m2 | 1995 |
| 7 | Hotel Homa (First Phase) | Bandar Abbas | Child water pipe line | EPC work Foam Injection | Fabis Industrial | Partnership & Executive Director | 850 m2 | 1996 |
| 8 | P.I.D.E.C | Mahshar | (M.T.B.E Plant) Equipments & Pipe line | PC work (injection Foam & Fabricated Method) | Fabis Industrial | Partnership & Executive Director | 8300 m2 | 1996 |
| 9 | Estakhr Morgh | Shiraz | Refrigerator Insulation (Roof) | PC work (Foam Spraying Method) | Fabis Industrial | Partnership & Implementation | 800 m2 | 1997 |
| 10 | Sard Taban Chiller | Karaj | installation PU sandwich panel & Sealing | PC work (installation PU sandwich panel & Sealing) | Fabis Industrial | Partnership & Executive Director | 1200 m2 | 1998 |
| 11 | The Presidency Office | Tehran | Fill in Expantion joint | PC (Injection & Fabrication Method) | Fabis Industrial | Partnership & Executive Director | 100 m2 | 1998 |
| 12 | Motahed Kara Co. | Isfahan | installation PU sandwich panel & Sealing | PC work (installation PU sandwich panel & Fill in panel Gap & Pipe line) | Fabis Industrial | Partnership & Executive Director | 300 m2 | 1998 |
| 13 | Demes Co. | Shiraz | Refrigerator Insulation Pipe & Equipments | Foam Injection | Fabis Industrial | Partnership | 600 m2 | 1998 |
| 14 | N.I.O.C | Karang Parsi (Khuzestan) | NGL 1500 | Cladding & Foam Injection for the first time in Iran | Fabis Industrial | Partnership & Implementation | 7500 m2 | 1997 to 98 |
| 15 | N.I.O.C | Bidboland (Aghajari) | NGL 1600 | Cladding & Foam Injection | Fabis Industrial | Partnership & Implementation | 650 m2 | |
| 16 | N.I.S.O.C | Isfahan Refinery to Dorche Power plant | Mazot feedback pipelines 17km | PC work PE Jacketing & Foam Injection for the first time in Iran | Fabis Industrial | Partnership & Executive Director | 17000 m | 1998 to 2000 |
| 17 | N.I.O.C | Isfahan Power plant to Railway | Mazot feedback pipelines 24km | PC work PE Jacketing & Foam Injection | Fabis Industrial | Partnership & Executive Director | 24000 m | |

PROJECT REFERENCE LIST CONTAINING INSULATION AND OTHER WORKS

| No. | Owner | Location | Topic Activity | Method | Implemented by | Position | QTY | CompletionDate |
|-----|--------------------------|------------------------------|--|--|------------------|--|----------|----------------|
| 18 | Razi Petrochemical Co. | Mahshahr | Ammonia Tank Reconstruction - suspended deck maintenance & sand blasting - Painting & Cold insulation work | EPC work (sand blasting - Painting & Foam Injection in walls Piping) | Pardis saie | Partnership & Executive Director | 4300 m2 | 1999 |
| 19 | Kharg Petrochemical Co. | Kharg | Methanol plant (Equipments & Pipe line) | PC work (sand blasting - Painting & Cladding & Foam Injection) | Fabis Industrial | Partnership-Management and Supervision | 3500 m2 | 1999 |
| 20 | Behran Oil Co. | Tehran | (Equipments & Pipe line) | PC work (Cladding & Foam Injection) | Fabis Industrial | Partnership-Management and Supervision | 1200 m2 | 2000 |
| 21 | Pars Oil Co. | Tehran | M.E.K Filters - Piping & Equipment | PC Work - (PU Foam Spraying & Cladding & Foam Injection) | Fabis Industrial | Partnership-Management and Supervision | 240 m2 | 2000 |
| 22 | Tabriz Petrochemical Co. | Tabriz | (Equipments & Pipe line) | Injection & Fabrication Method | Fabis Industrial | Partnership-Management and Supervision | 2500 m2 | 2000 |
| 23 | Pars Oil Co. | Tehran | M.E.K chillers | EPC Work and cold insulation work (Product Boxes & Foam Injection) | Fabis Industrial | Partnership-Management and Supervision | 120 m2 | 2001 |
| 24 | Abadan Petrochemical Co. | Abadan | Production PUF for Pipes & Equipment | Fabrication Method | Fabis Industrial | Partnership-Management and Supervision | 600 m2 | 2001 |
| 25 | OIEC Co. | Bibihakime (Khuzestan) | NGL 1200 (Equipments & Pipe line) | EPC work (Injection & Fabrication Method) | Fabis Jonoob | Member of board-Management and Supervision | 12000 m2 | 2002 |
| 26 | OIEC Co. | Bibihakime (Khuzestan) | NGL 1300 (Equipments & Pipe line) | EPC work (Injection & Fabrication Method) | Fabis Jonoob | Member of board-Management and Supervision | 12000 m2 | 2002 |
| 27 | Faravaresh Co. | Imam Petrochemical Co. | Two Spherical tanks | EPC work (sand blasting - Painting & Cold insulation work) for the first time in Iran | Fabis Jonoob | Member of board-Management and Supervision | 450 m2 | 2002 |
| 28 | Mashin Sazi Arak Co. | Golpayegan | Two Spherical tanks | EPC work (sand blasting - Painting & cold insulation work) | Fabis Jonoob | Member of board-Management and Supervision | 350 m2 | 2002 |
| 29 | Arak Petrochemical Co. | Mahshahr | Two M.E.K Tank | EPC work (sand blasting - Painting & cold insulation work) | Fabis Jonoob | Member of board-Management and Supervision | 3500 m2 | 2002 |
| 30 | E.I.E.D. Co. | Amir Kabir Petrochemical Co. | 6th Olefin plant (Equipment & Piping) | Supply all Insulation material (Foam glass-Mineral wool) | Fabis Jonoob | Member of board-Management and Supervision | 38000 m2 | 2004 |
| 31 | Enershimi Co. | Amir Kabir Petrochemical Co. | | Supply all Insulation material (Foam glass-Mineral wool) | Fabis Jonoob | Member of board-Management and Supervision | | 2004 |
| 32 | ECC Co. | Amir Kabir Petrochemical Co. | | All Insulation work (Foam glass-Fabrication- Injection - Hot insulation and Dual Insulation) | Fabis Jonoob | Member of board-Management and Supervision | | 2004 |

PROJECT REFERENCE LIST CONTAINING INSULATION AND OTHER WORKS

| No. | Owner | Location | Topic Activity | Method | Implemented by | Position | QTY | CompletionDate |
|-----|---------------------------------------|-------------------------------|--|--|------------------|---|----------------------------|----------------|
| 33 | Azarab Industrial Co. | Amir Kabir Petrochemical Co. | Two Spherical tanks | EPC work (sand blasting - Painting & cold insulation Foam Injection in walls) for the first time in Iran | Fabis Jonoob | Member of board-Management and Supervision | 2700 m2 | 2003 |
| 34 | Chegalesh Co. | Tondgoyan Petrochemical Co. | PET-1&2 | EPC work (Cold & Hot insulation) | Fabis Jonoob | Member of board-Management and Supervision | 4500 m2 | 2004 |
| 35 | Pars Petrochemical Co. | Styrene Monomer Assaluyeh | 7 Styrene Monomer Storage Tanks | EPC work (All Painting and Cold insulation) | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 12000 m2 | 2005 |
| 36 | E.C.C. Co. | Styrene Monomer Assaluyeh | Equipment & Pipe Hot & Cold Insulation & Fire Proofing | PC work (Supply all Paint and Insulation material & All Installation Work) | | | 26000 m2 | 2006 |
| 37 | Consortium Payandan and Tarh Andishan | Assaluyeh | Jetty Pipe line | PC work (Cold insulation) | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 8500 m in the 10"-24" Inch | 2005 |
| 38 | Arak Petrochemical Co. | Olefin Development Plan | Ethylene Pipe line | PC work (Cold insulation) | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 5000 m 6"inch | 2006 |
| 39 | J. K .T Consortium | Borzooyeh Petrochemical Co. | Equipment & Pipe Hot Insulation Accessories Supplying | Supplying | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 48000 m2 | 2006 |
| 40 | Hampa | Bistoon Ammonia & Urea | Accessories Supplying | Supplying | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 3000 m2 | 2006 |
| 41 | Tondgoyan - Pet 2 | Mahshar Free Zone | (Equipments & Pipe line) | PC work (Cold insulation) | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 4500 m2 | 2006 |
| 42 | Jam Petrochemical Co. | Assaluyeh | (Equipments & Pipe line) | PC work (Cold insulation) | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 2800 m2 | 2006 |
| 43 | Behran Oil Co. | Tehran | Development Plan (Ammonia Chiller- Equipment& Piping) | EPC Work (Product Boxes & Foam Injection) | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 1300 m2 | 2007 |
| 44 | Ilam Gas Refinery | Treating Plant Project - Ilam | Equipment & Pipe Hot Insulation Accessories Supplying | Accessories Supplying and Installation of Hot & Cold Insulation | Pars Poosha Foam | Chairman of board & Technical Manager & Supervision | 35000 m2 | 2007 |
| 45 | Kharg petrochemical Co. | DMD | Hot & Cold Insulation & Protection Work | PC work (Cold insulation) | Sheragima Co. | Partnership-Management and Supervision | 3500 m2 | 2008 |
| 46 | SABA Co. | Jetty Pipe Line | Cold Insulation Work | EPC work (Cold insulation) | Sheragima Co. | Partnership-Management and Supervision | 1200 m | 2009 |
| 47 | Kharg petrochemical Co. | Over Haul | Hot & Cold Insulation & Protection Work | PC work (Hot and Cold insulation) | Sheragima Co. | Partnership-Management and Supervision | 4000 m2 | 2010 |

PROJECT REFERENCE LIST CONTAINING INSULATION AND OTHER WORKS

| No. | Owner | Location | Topic Activity | Method | Implemented by | Position | QTY | CompletionDate |
|-----|----------------------------|---|---|--|-----------------------|---|---|----------------|
| 48 | Tehran Jonoub Co. | YADAVARAN Oil Field Development Project (Underground Pipe line) 650km | Cold Insulation & Protection Work | Implementation of Insulation of Oil Pipelines Welds in the Project of Adventures (Innovation and Replacement of Epoxy coating with Shrinkable sleeves in Under Ground Pipe and foam injection) Heat insulation and protection work for the first time in Iran | Under the partnership | Estimation & consultant | 37500 No. welding joint | 2010-2012 |
| 49 | Jahan Pars Co. | | | | | | | |
| 50 | Khalkhal dasht Co. | | | | | 12000 m Pipe Bend | | |
| 51 | NIOC & PEDEC | | | | | | As consultant for Changes specification | |
| 52 | Behran Oil Co. | Tehran | Heavy-duty heating tanks | Accessories Supplying and Installation of Hot Insulation | Delta Poosh Part | Chairman of board & Technical Manager & Supervision | 6000 m2 | 2013 |
| 53 | Sodium carbonate of Semnan | Semnan | Hot Insulation & Protection Work | Supply and execution of nano thermal insulation paint in combination with polyurethane for the first time in Iran | Delta Poosh Part | Chairman of board & Technical Manager & Supervision | 420 m2 | 2013 |
| 54 | Behran Oil Co. | Tehran | Implementation of hot pipelines and equipment M.E.K | Accessories Supplying and Installation of Hot Insulation | Delta Poosh Part | Chairman of board & Technical Manager & Supervision | 6000 m2 | 2014 |
| 55 | Sodium carbonate of Semnan | Semnan | Hot Insulation & Protection Work | Supply and execution of nano thermal insulation paint in combination with polyurethane for the first time in Iran | Delta Poosh Part | Chairman of board & Technical Manager & Supervision | 900 m2 | 2014 |
| 56 | Sodium carbonate of Semnan | Semnan | Acid Proofing | Supply and execution of anti acid and alkali (soda ash) coatings | Delta Poosh Part | Chairman of board & Technical Manager & Supervision | 1200 m2 | 2015 |
| 57 | Takab | Assaluyeh | Acid Proofing | Supply and implementation of anti-acid coatings- sulfuric acid and caustic soda | Delta Poosh Part | Chairman of board & Technical Manager & Supervision | 420 m2 | 2016 |
| 58 | Mashhad Mal | Mashhad | Fire Proofing | Supply and implementation of intumescent fireproof anti-fire product of Iran for the first time in Iran | Under the partnership | Estimation & consultant | 10000 m2 | 2017 |
| 59 | MANA | Kerman Steel Butia | Concrete Sealing | Supply and execution of concrete sealing operations with Polyeuria and Sika materials | Under the partnership | Estimation & consultant | 26000 m2 | 2018-2019 |
